

NEWS SHEET - FEBRUARY 1993

ANNUAL GENERAL MEETING

This years A.G.M. will be on THURSDAY 25th FEBRUARY. The meeting will be in the Social Area of the College at approximately 7.30 p.m. The bar will be open to serve drinks but there will be NO CLUB RUN that evening.

It is important that as many of you attend as possible, as a lot of what will be discussed at the meeting could influence the direction the club will take in the next 12 months.

The meeting will include statements from the Chairman, Secretary and Treasurer and topics open to discussion will include the election or re-election of the committee and the price of the subscription for the coming year.

If anyone would like anything in particular to be added to the agenda they must let a committee member know before 20.02.93

LONDON MARATHON - As we have a number of runners in the Marathon this year, we have arranged for a coach to take them and anyone else who is interested in going. If you would like to reserve a place please let us know as soon as possible. The cost will be £4.50, per person.

DEREK'S 40TH BIRTHDAY DISCO - This will be at the college on the 27.02.93. Everyone from the club is welcome.
