- provide defined procedures, which include safe methods of working for all those involved in the delivery of club activity.
- provide, maintain and inspect equipment i.e. race signs.
- report any accidents, incidents, near misses and cases of work-related ill health arising from club activity and ensure the timely completion of investigations to prevent incident reoccurrence.
- implement emergency and first aid procedures.
- ensure mechanisms are in place to report hazards and identify and rectify faults.
- ensure suitable welfare arrangements are in place and provide a safe and healthy working environment for all those involved in club activity.
- provide appropriate information, instruction and supervision to ensure all those involved in club activity take care of their own safety and welfare and that of others.
